Travel Scenario

Goal Memo	Scenario Name In a Rainy Grassland Creation Date

● *Name*

> The Town of Ifa

● *Scenery*

> A town that resides in the middle of a large, wide grassland. It sits in the crossroads of 4 large cities. The streets are full of vendors and carts. In the center of the town is a lively market.

● *Specialty*

> Because it is the crossroads for many cities, a variety of different goods from different countries can be found here. At this time, Cute items can be had cheaply.
> (If there aren't any players that want Cute items, you may choose a different item description to sell instead.)

● *Reason for wanting to go:*

> -Cute items can be purchased at a low price
> -They've been traveling for weeks and are looking forward to hitting a bath in a big town after seeing nothing but small towns
> -Someone may have important information that a certain PC is looking for

● *Departing point and roads traveled:*

> (In media res) From the entrance to the Alphonbra Grasslands to the gates of Ifa

●*Days of travel:*   2   *days*

● *Most difficult encounter:*

> 2 days of heavy pouring rain.
